# **XCESS OUTSOURCE FOR ACCOUNTANTS**

## ABOUT US

Xcess Outsource is a leading Nepal-based accounting outsourcing company specializing in end-to-end UK accounting practices. Our dedicated team of experienced accountants, with an average of over 5 years focused on UK regulations, ensures accurate and timely bookkeeping for your business. We're familiar with the latest accounting software like Xero, QuickBooks, and FreeAgent, and we understand the nuances of UK tax compliance.

Xcess Outsource prioritizes quality and client satisfaction. We work as an extension of your team, delivering exceptional results that contribute to your success. A testament to this is our high rate of recurring business, with many clients trusting us for their accounting needs year after year. Our commitment to data security and clear communication helps build strong, long-term relationships with our clients.

## Mission:

To deliver exceptional value to our UK clients by providing accurate and fostering trusted partnerships built on the highest ethical standards.

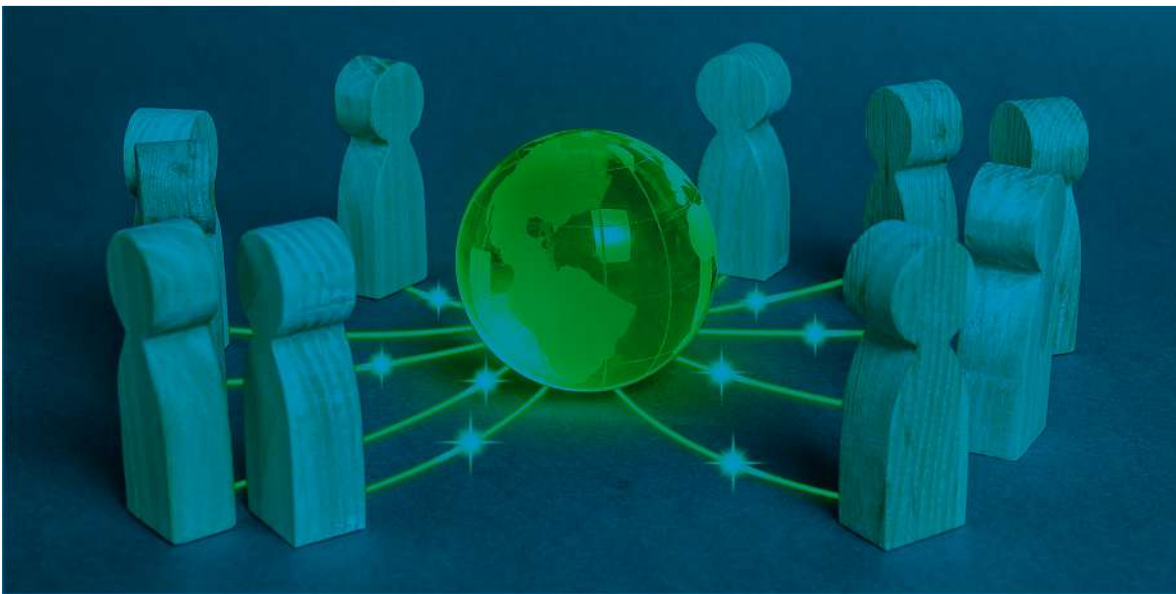

## Vision:

To become the most sought-after accounting outsourcing company for UK Accountants and Firms.

## Features

- Experienced Management Team
- Qualified Staff
- Dedicated Resources
- Proven Transition Methodology
- Robust Governance Approach

## WHY XCESS OUTSOURCE?

At Xcess Outsource, we believe in building trust through honesty. This means transparent communication, clear reporting, and a commitment to upholding the highest ethical standards. Our team of UK-certified accountants leverages their expertise to deliver exceptional service, minimizing errors and ensuring your finances are meticulously managed. We focus on efficiency and streamlining processes, often leading to cost savings and faster turnaround times for our clients.

### Embracing Innovation, Optimizing Results

At Xcess Outsource, we understand the ever-evolving nature of technology in the accounting industry. We are proactive in adopting the latest tools and software, including popular UK platforms like Xero and QuickBooks Online. This commitment to innovation allows us to streamline processes, enhance data security, and collaborate seamlessly with our clients.

### Proven Success

Xcess Outsource has a strong track record of success, serving a diverse range of UK small and medium-sized businesses across various industries. We understand the unique needs and challenges faced by UK accountants, allowing us to tailor our services for optimal results.

### Cost-Effective Solutions for UK Accountants

We value the importance of cost-efficiency for UK accountants. We offer competitive pricing structures, including hourly rates, fixed monthly fees, and project-based options, to ensure you get the best value for your investment.

### Highly Reliable

We work together with you as a team to provide the optimum solution, which is in line with your requirements.

### Unwavering Security and Confidentiality

We understand the importance of protecting your sensitive financial data. We are fully compliant with UK data protection regulations, including GDPR, ensuring the highest standards of confidentiality and privacy for your information. We implement robust security measures, including encryption, access controls, and regular backups, to safeguard your data and give you peace of mind.

### Cutting Edge Technology

The ever-evolving nature of technology in the accounting industry. We are proactive in adopting the latest tools and software, including popular UK platforms like Xero and QuickBooks Online.

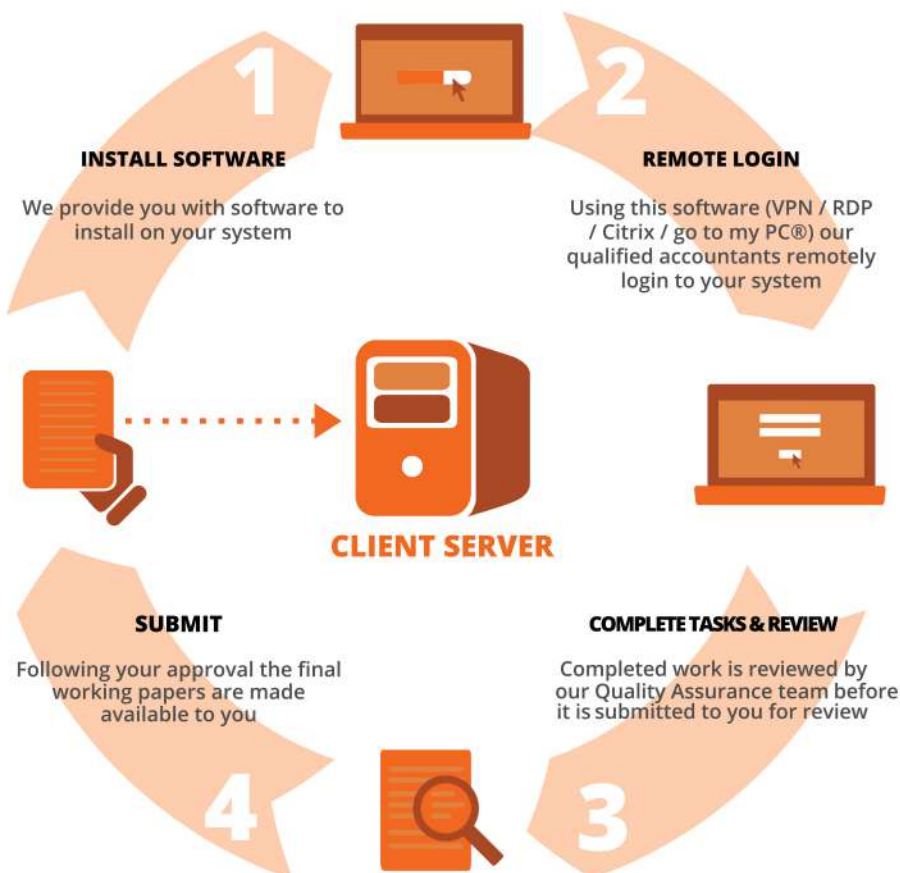

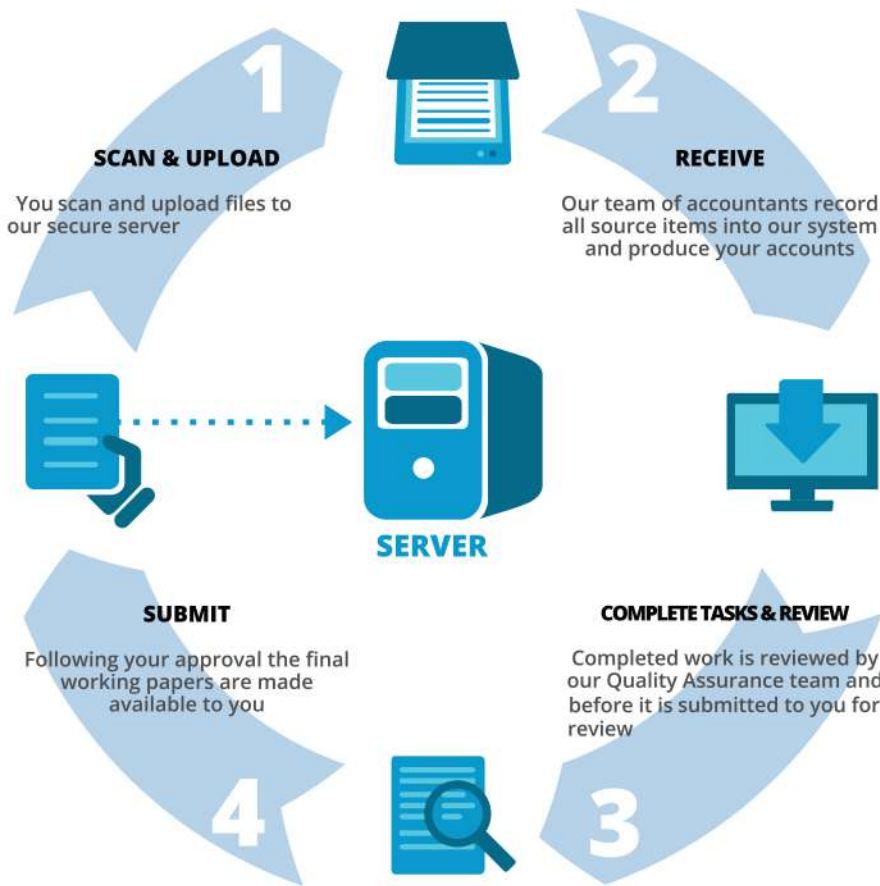

# OUR SERVICES

# HOW IT WORKS

# THE BENEFITS

Why should you outsource some or all of your accounting processes? Based on our experience, we found that you can expect to realize the following benefits:

## INCREASED SAVINGS

Save up to 50% against current costs.

## FASTER TURNAROUND TIMES

## REDUCED STAFF TURNOVER

Your staff turnover is reduced by the removal of repetitive work

## MEET FEE PRESSURE AND FOCUS ON CLIENTS

You can offer your clients competitive rates whilst improving the bottom line.

## GROWTH WITHOUT OVERHEADS

Take on more clients without moving into larger facilities, adding computers and staff. Plus avoid hidden employee costs such as taxes, vacation leave, sickness and benefits.
